EXECUTIVE SUMMARY

Operator-investor who structures the capital, governance and decision systems behind serious ventures, and runs the operations that make them perform. 10+ years across healthcare, development, education and culture in the UAE, Europe and CIS: built one of Russia's leading sports rehabilitation practices (600%+ margin growth), drove M&A-led growth as CCO of a ~RUB 1B private university group (~40% revenue CAGR, 4 deals end-to-end), structured an AED 240M+ ESG-aligned development portfolio as owner's representative to CEO and Board, and led the investment case and capital raise for a Dubai cultural institution anchored by a ~AED 1.0B collection. Builds investment-grade financial models, DHA / JCI / ISO 13485-aligned governance, and the digital systems that make capital decisions defensible. MBA (Frankfurt, Distinction), MSc Health Economics (LSE), incoming TRIUM Global Executive MBA (NYU Stern / LSE / HEC Paris). Native Russian and fluent English; Dubai-based, self-sponsored visa.

CORE COMPETENCIES

Capital & Investment: Feasibility & business cases · Financial modeling (IRR / NPV / Monte-Carlo) · Cross-border M&A & JV · Capital raise & investor reporting

Governance & Board: Board & investor reporting · Balanced Scorecard · DHA / JCI / ISO 13485 · SOPs & CAPA · KPI systems

Operations & P&L: Multi-site operations · Full P&L ownership · Unit economics · Turnaround & cost efficiency

Sectors & ESG: Healthcare · development · education · culture · ESG / SDG-aligned · operational dashboards & analytics

PROFESSIONAL EXPERIENCE

Director of Special Projects
Apr 2025 – May 2026

QUBE Development LLC — healthcare & education infrastructure developer · Dubai, UAE

- Led end-to-end feasibility and investment structuring for an AED 240M+ ESG-aligned healthcare and education portfolio, reporting to the CEO and Board.
- Built the investment-grade business plan and multi-scenario financial model (8-year IRR / NPV / payback) for a 620 sqm polyclinic and veterinary clinic (AED 9M CAPEX), informing board go/no-go.
- Structured the Haim Global medical-aesthetics JV: due diligence, financial modeling, and a governance framework for board approval.
- Commissioned a real-time investment analytics platform (scenario modeling, Monte Carlo, facility-size switchers) for CEO / CFO-level portfolio decisions.
- Continued post-mandate as advisor to the founder on a cross-border M&A transaction.

Chief Executive Officer — Transformation (fixed-term mandate)
Nov 2024 – May 2025

International rehabilitation group · Dubai & International

- Led transformation of an international rehabilitation network: operations, unit economics and clinical governance across multiple markets.
- Led international market entry, translating clinical demand into scalable service and commercial models.
- Standardized care delivery with evidence-based protocols and HRM frameworks, reducing clinical variability.
- Rebuilt P&L, cash-flow forecasting, and unit economics as the foundation for multi-country scale.

Chief Commercial Officer / COO
Jun 2023 – Nov 2024

Synergy University — large multi-faculty university (business, medicine, digital) · Moscow, Russia

- Drove ~40% CAGR through portfolio optimization, KPI-driven management, and repositioning of the medical faculty.
- Owned financial planning and budgeting for ~RUB 1B in annual revenue across six business units and 150+ staff.
- Built an enterprise analytics framework integrating NPS, CSAT, and KPIs across all six units.
- Led four medical-clinic M&A transactions end-to-end: due diligence, valuation, and post-acquisition integration.

Commercial Director / Head of Rehabilitation
2018 – 2021

SportKlinika Plus — private rehabilitation clinic · St. Petersburg, Russia

- Built the rehabilitation department from inception into the top-rated unit in St. Petersburg four years running.
- Combined clinical and commercial leadership: service-line expansion, partnerships, and patient acquisition driving 600%+ profit growth over four years.
- Introduced data-driven quality management, improving both patient outcomes and operational efficiency.

SELECTED PROJECTS

Investment case & capital raise — cultural museum, Dubai

2025 – Present

Byzantine & Eastern-Christian heritage museum · capital raise · Dubai, UAE

- Leading the investment case and capital raise for a heritage museum anchored by a ~AED 1.0B collection (AED 183.8M CAPEX, AED 204.8M project-finance facility), reporting to the founder and prospective investors.
- Built the full investor package: multi-year financial model (CAPEX, financing, 5-year IRR / NPV, scenario, sensitivity and Monte-Carlo), a ~70-page business plan, and market analysis benchmarked to Louvre Abu Dhabi and the Met.
- Structured the equity and governance for the raise; positioned as ESG / SDG-aligned cultural diplomacy, first-of-its-kind in the GCC.

Clinic operations & governance platform

2026

Chief Executive Officer, transformation mandate · Premium DHA-regulated multidisciplinary dental clinic · Dubai, UAE

- Specified and shipped a 190+ page internal operating platform: modular web app with edge-middleware auth and email-OTP login, 14 serverless APIs, a KV data layer with optimistic locking and audit, event telemetry, role-based access, and CI/CD to Cloudflare.
- Built a Balanced Scorecard tracking 31 KPIs across the Quintuple Aim, plus 14 SOPs aligned to DHA / JCI / ISO 13485 and a CAPA quality methodology, establishing the JCI accreditation pathway.
- Deployed an integrated financial-and-operational dashboard, giving ownership one transparent view of performance for faster decisions.
- Designed a full sales-enablement system (positioning, objection handling, and treatment-coordinator playbooks) to convert clinical demand into revenue.

ADVISORY & SPECIALIST ROLES (CONCURRENT)

Strategic Advisor to the Board — UMED (private medical university & college group, 7,000+ students) · part-time, remote

2024 – Present

- Advise the board on growth strategy, transformation and digital health-education models, supporting ~24% revenue CAGR; designed and launched seven postgraduate programmes; built financial modelling and an M&A roadmap for a five-year expansion plan.

Head of Rehabilitation / Medical Consultant — VC Zenith, professional volleyball club

2021 – 2023

- Professional volleyball club: coordinated the multidisciplinary medical team for rapid return-to-play across competitive seasons.

Medical Education Director — RockTape (Europe & Mediterranean)

2018 – 2019

- Led medical-education programs across 30+ countries, including curriculum and trainer development.

EDUCATION

Global Executive MBA

2026 – 2028

TRIUM — NYU Stern / LSE / HEC Paris · incoming · $30,000 merit scholarship · modular executive format

Executive Master, Health Economics, Policy & Management

2024 – 2026

London School of Economics (LSE) · Thesis: HTA Readiness in the GCC — a comparative framework for investment prioritization

MBA, International Healthcare Management (Distinction)

2021 – 2023

Frankfurt School of Finance & Management

MSc & BSc, Rehabilitation Medicine (Valedictorian)

2013 – 2021

Vincent Pol University, Poland · BSc 2013–2016 · MSc 2016–2021
