EXECUTIVE SUMMARY

Healthcare executive and clinician by training (MSc Rehabilitation Medicine): 10+ years across healthcare, education and development, leading clinics, a multi-country rehabilitation network and medical education in the UAE, Europe and CIS. Owns P&L and multi-site operations, led four medical-clinic M&A transactions end-to-end and builds governance aligned to DHA / JCI / ISO 13485. Results: 600%+ profit growth in four years at SportKlinika Plus; ~40% CAGR at Synergy University on ~RUB 1B annual revenue. Also structured investment cases for an AED 240M+ healthcare and education portfolio and a Dubai cultural institution. Executive MSc (LSE), MBA (Frankfurt School, Distinction), TRIUM Global EMBA in progress.

CORE COMPETENCIES

Healthcare Operations & Clinical Governance: DHA / JCI / ISO 13485 · SOPs & CAPA · Quintuple Aim · Multi-site clinical operations · Evidence-based care protocols · Quality management

P&L & Unit Economics: Full P&L ownership · Unit economics · Financial planning & budgeting · Cash-flow forecasting · Turnaround & cost efficiency

M&A & Joint Ventures: Clinic M&A (due diligence, valuation, integration) · JV structuring · Feasibility & business cases · Financial modeling (IRR / NPV / Monte-Carlo)

Board Reporting & Performance: Board & investor reporting · Balanced Scorecard · KPI systems · NPS / CSAT analytics

PROFESSIONAL EXPERIENCE

Chief Operating Officer **Sep 2026 to Present**

Rem House (Top Rem House Contracting LLC), premium residential design & build, Dubai, UAE

- Built the company's management P&L by month and by project from the accounting system, with a layered cost structure, giving the founder full financial transparency.
- Mapped the end-to-end process from sale to payment and the founder report across sales, design, construction and finance, with a named owner for every step and every break in the chain made visible.
- Set up operational registers with one owner each and a single source of truth for every figure, resolving conflicts between the CRM and the accounting system.
- Built end-to-end analytics from marketing channel to won square metres in the CRM, with unit economics per square metre, a rolling weekly cash-flow forecast and working-capital tracking.
- Introduced the reporting rhythm: a weekly one-page management report for the founder and a monthly close on a fixed calendar.
- Authored the revenue recognition policy (IFRS revenue standard, cost-to-cost method) and a cost-budget approval process with multi-level sign-off, both approved by the founder.
- Launched a role-based management system for leadership, department heads and the board: balanced scorecard, decision register, assignments and workforce analytics.

Director of Special Projects **Apr 2025 to May 2026**

QUBE Development LLC (LSR Group subsidiary), healthcare & education infrastructure developer, Dubai, UAE

- Built the investment-grade business plan and multi-scenario financial model (8-year IRR / NPV / payback) for a 620 sqm polyclinic and veterinary clinic (AED 9M CAPEX), informing the board go/no-go.
- Structured the Haim Global medical-aesthetics JV: due diligence, financial modeling and a governance framework for board approval.
- Led end-to-end feasibility and investment structuring for an AED 240M+ healthcare and education portfolio, reporting to the CEO and Board.
- Commissioned a real-time investment analytics platform (scenario modeling, Monte Carlo) for CEO / CFO-level portfolio decisions; continued post-mandate as advisor to the founder on a cross-border M&A transaction.

Chief Operating Officer / CEO, Transformation (fixed-term mandate) **Nov 2024 to May 2025**

International rehabilitation group, Dubai & International

- Ran a multi-country rehabilitation network with 5,000+ patients annually and 100+ clinical and administrative staff.
- Led international market entry (Kazakhstan, UAE, Russia, Ukraine), translating clinical demand into scalable service and commercial models.
- Standardized care delivery with evidence-based protocols and HRM frameworks, reducing clinical variability.
- Rebuilt P&L, cash-flow forecasting and unit economics as the foundation for multi-country scale.

Chief Commercial Officer / COO **Jun 2023 to Nov 2024**

Synergy University, large multi-faculty university (business, medicine, digital), Moscow, Russia

- Led four medical-clinic M&A transactions end-to-end: due diligence, valuation and post-acquisition integration.
- Drove ~40% CAGR through portfolio optimization, KPI-driven management and repositioning of the medical faculty.
- Owned financial planning and budgeting for ~RUB 1B in annual revenue across six business units and 150+ staff.
- Built an enterprise analytics framework integrating NPS, CSAT and KPIs across all six units.

Commercial Director / Head of Rehabilitation **2018 to 2021**

SportKlinika Plus, private rehabilitation clinic, St. Petersburg, Russia

- Built the rehabilitation department from inception into the top-rated unit in St. Petersburg four years running.
- Combined clinical and commercial leadership (service lines, partnerships, patient acquisition): 600%+ profit growth in four years.
- Introduced data-driven quality management, improving both patient outcomes and operational efficiency.

SELECTED PROJECTS

Clinic operations & governance platform **2026**

Premium DHA-regulated multidisciplinary dental clinic, Dubai, UAE

- Built a Balanced Scorecard tracking 31 KPIs across the Quintuple Aim, plus 14 SOPs aligned to DHA / JCI / ISO 13485 and a CAPA quality methodology, establishing the JCI accreditation pathway.
- Specified and shipped a 190+ page operating platform with role-based access, including a financial-and-operational dashboard that gives ownership one transparent view of performance.
- Designed a sales-enablement system (positioning, objection handling, treatment-coordinator playbooks) to convert clinical demand into revenue.

Investment case & capital raise, heritage museum **2025 to Present**

- Leading the investment case and capital raise for a Dubai heritage museum anchored by a ~AED 1.0B collection (~AED 47M build): multi-year financial model, ~70-page business plan, equity and governance structure.

ADVISORY & SPECIALIST ROLES (CONCURRENT)

Strategic Advisor, UMED (medical university; postgraduate & digital health) **2024 to Present**

- Advise the executive team on growth strategy and digital-health education; designed and launched seven postgraduate programs; built financial modeling and an M&A roadmap for a five-year expansion plan.

Head of Rehabilitation / Medical Consultant, VC Zenith (Gazprom), professional volleyball club **2021 to 2023**

Medical Education Director, RockTape (Europe & Mediterranean), programs across 30+ countries **2018 to 2019**

EDUCATION

Global Executive MBA, TRIUM (NYU Stern / LSE / HEC Paris), in progress **2026 to 2028**

$30,000 merit scholarship · modular executive format

Executive MSc Health Economics, Policy and Management, London School of Economics (LSE) **2024 to 2026**

Completed · Thesis: HTA Readiness in the GCC, a comparative framework for investment prioritization

MBA, International Healthcare Management (Distinction), Frankfurt School of Finance & Management **2021 to 2023**

MSc & BSc, Rehabilitation Medicine (Valedictorian), Vincent Pol University, Poland **2013 to 2021**

BSc 2013 to 2016 · MSc 2016 to 2021

HONORS & ACHIEVEMENTS

- Winner, "MedLeads" All-Russian Healthcare Management Competition.
- Best Rehabilitation Department in St. Petersburg, four consecutive years.
